The Tanglin Club Choir is a non-audition community choir made up of Tanglin Club members and their guests. Now in its 12th year, the choir performs to entertain club members, at charity events, and simply for the joy of singing.

Nathalie founded Sing'theatre in 2006, bringing live music to hospitals like Tan Tock Seng Hospital while producing acclaimed musicals. A captivating singer since 1998, she has wowed Singaporean audiences and performed with stars like Kumar and Hossan Leong, and collaborated with industry veterans Selena Tan and George Chan.
